

MIDDLA “rules”

1. **A clean lab is a happy lab :) Put things back where you found them and clean up after yourself:** we have a vacuum cleaner and cleaning supplies.
2. **If you're the last one to leave:**
 1. Close the windows
 2. Turn off the lights
 3. Close all doors
3. **Practice “lagom”:** Take what you need, leave enough for others
4. Follow instructions on [**middla.gitbook.io**](https://middla.gitbook.io)
5. Ask [**kth.middla@gmail.com**](mailto:kth.middla@gmail.com)
